Resolutions of Respect.

Whereas on the 15th day of March 1906, it pleased an allwise God to remove from our fraternal circle, our beloved brother C. A. Spencer, therefore be it resolved

1st That in his death the Masonic order loses a faithful patron a punctual member and an exemplary Mason.

That the community loses a worthy citizen whose kind and benevolent acts will be greatly missed.

3rd That the church loses a faithful, meek and humble follower of the meek and lowly Nazarine.

4th That his family loses a faithful husband and a kind and indulgent father

5th That while we bow in humble submission to the will of Him who is "too wise to err, and too good to be unkind," we nevertheless greatly bemourn our loss, even though refreshed by the assurance that we sorrow not as those without hope.

6th That a copy of these resolutions be sent to the bereaved family of our deceased brother, one sent to the APPOMATTOX AND BUCKINGHAM TIMES and one to the Central Virginia Outlook for publication and that a copy be spread upon the minutes of our Lodge.

Respectfully submitted,
W. P. ELLIS,

Venner.

Just a few words this morning, though news is scarce in this place.

The farmers are busy plowing and getting ready for another crop.

Mr. B. T. Rosser, while enroute to Lynchburg several weeks ago, carrying some horses, was very badly hurt. The horse he was riding fell and he was thrown off, breaking his collar bone in two places and bruising his arm right badly. He was taken back to Pamplin and Drs. Walker and Lukin set the bone and bound the wound. He was then taken to his home in Lynchburg and was getting along nicely until last week when the bone had to be broken and reset. We hope it will not be long before he will be ont again.

Mr. Jas. Glenn and family of Prospect were guests at the home of Messrs. W. H. and W. E. Rosser of this place Saturday and Sunday.

Miss Mattie Baker of Madisonville visited relstives at this place last week.

Mrs. Neal Carwyle visited her sick aunt, Mrs. Wm. Driskill near Darlington Heights Sunday.

Mrs. James Cawthorn is the guest of her neice, Mrs. Irving Baker of Vincent.

Mr. C. C. Rosser is visiting his parents of West Lynchburg.

Mrs. B. H. Woodson who has been sick, we are glad to say is better.

Mrs. W. H. Rosser was the guest of Mrs. H. S. Baker of Madisonville last Wednesday evening.

Chamberlain's Cough Remedy the Best and Most Popular.

"Mothers buy it for croupy children, railroad men buy it for severe coughs and elderly people buy it for la grippe," say Moore Bros., Eldon, Iowa. "We sell more of Chamberlain's Cough Remedy than any other kind. It seems to have taken the lead over several other good brands." There is no question but this medicine is the best that can be procured for coughs and colds, whether it be a child or an adult that is afflicted. It always cures and cures quickly.

Buckingham.

The county School Board met here on the 1st day of Circuit Court, three new members were present, Messrs. McCraw, Forbes and Tindall. District Inspector Thomas was present and made an interesting address. Prof. Thomas, accompanied by Superintendent Twyman visited the graded school here and seemed pleased with the progress the pupils are making. Buckingham county has applied for state aid for two high schools, this one here and the one at Arvonia. The last legislature appropriated $60,000 to aid in establishing and maintaining high schools in the State and this school will get $250 the first year, and more in the coming years, if the school continues to be well patronized. This school is now under control of the county Board and this Board, in session here on the 10th elected Prof. H. Blankenship principal and Miss B. Bondurant and Miss Nettie Swoope assistants. As heretofore stated in this correspondence this school is open to patrons of all districts in this county and next session Prof. Blankenship, as principal, will do high school work and is prepared to train pupils to enter at Farmville and Williamsburg. The County Board appropriated $100 to help maintain the summer Normal at Farmville for four weeks. There will be eight of these schools this summer instead of having only one at Charlottesville, so as to bring the schools in more convenient distance of the teachers. The examinations will be conducted here the 3rd, 4th and 5th of May.

The meeting that was to be held here on the 16th in the interest of the proposed monument to the Confederate dead is postponed to the second Monday in May.

Miss Minnie Rogers, who has been teaching in North Carolina, will be home this week.

Mary Mary McCue of Lynchburg spent Easter with her sisters, Mrs. R. S. Elliott and Mrs. H. T. Antrim.

Mrs. A. J. Bondurant and daughter, Miss Fannie, are on a visit to relatives in Alabama and Mr. Bondurant is going bravely on with household as well as farm work, and has 125 young chickens which he says he is raising on scientific principles.

Willman (not Wm.) Pease has returned from the hospital in Richmond and has recovered from the effects of his accident.

The negro Parsons, convicted of killing Banks, another negro, got an eighteen-year sentence to the peuitentiary.

Senator Patteson says, according to his idea Judge Hundley's term as Judge will expire on the 1st day of the June term, or on Tuesday after the 2nd Monday in June, but it is to be supposed that Judge Hundley will not come to open court for one day and that Judge Gordon will preside at the June term.

A great number of horses and mules were offered for sale here on the 10th but comparatively few sales were made.

There was a terrific rain storm here Saturday night and newly planted gardens suffered in consequence.

Mr. J. H. Fitzgerald has gone to Baltimore to consult a specialist and it is hoped he may be relieved. He has been a great sufferer from rheumatism.

Prospective candidates for county offices are getting more polite and already two candidates have expressed a willingness to serve in the next legislature, or as some would say their friends are asking them to consent to run. The salary is doubled "Don't you know" and this may have somewhat to do with the want of diffidence on the part of candidates.

Arcanum.

Miss Estell Stokes completed her six months term as private teacher in the home of Mr. Hebditch on Friday last, and had an enjoyable breaking up party of young men and maidens of the neighborhood. Miss Stokes won many friends during her stay in this neighborhood, and gave complete satisfaction as a teacher.

Mrs. N. woone and daughter Lila came up on Saturday to pay a long visit to her parents Mr. and Mrs. Hebditch.

Mr Hunter Stegar of Farmville came up Sunday to see his sick mother, whom we are glad to say is improved in health a little. Mr. Ligon of Farmville was also a guest at Mr. E. J. Stegar's.

Miss Ellen Davis was thrown from her buggy one day last week by a frisky horse, and bruised somewhat but not seriously.

Mr Thomas H. Garnet feels no ill effect from his fall last week, he ascribes to the merciful God his escape from being dragged to his death.

Boiling.

We are indeed glad to have some pretty weather after having such a bad spell, but think we are going to have March weather in April as the wind is very high, and hope no one will have the bad luck to let the fires from new grounds get out. I heard one farmer say he would not burn anymore, what he could not carry off the land could stay, a wise conclusion I think for there certainly can't be much fun in fighting fire.

We are sorry to report the death of Mr. and Mrs. L. R. Hardiman's infant daughter which occurred on the 5th inst at Boiling. They have our deepest sympathy. She was too fair and sweet for this world.

Buckingham Farmers Meet.

The County Union A. S. of E. met in regular session at Dillwyn on Saturday 14th. Delegates representing eight Local Unions were represented. Chairman Ellis presided.

John T. Oliver and Clinton H. Jones were elected delegates to represent Buckingham County in the Stat Meeting to be held in Lynchburg on the 21st and 22d inst.

A committee of five was also appointed by the Chairman to make arrangments for the erection, or renting of building or buildings for prizing the Society's tobacco crop for 1906, and to elect and employ a manager for same. This committee consists of J. W. Hebditch, John T. Oliver, Van Gilliam, Frank Nuckols, R. L. Dunkard and Leon Gills.

It was also decided to have the next meeting at Dillwyn and have a general rally of all the members of the ocher in the county, their wives, children and sweethearts, at at an all day picnic which is to be given about the middle of July. Speakers of prominence will be invited to talk on the aims and purposes of the American Society of Equity.

Farmers of New Store Meet.

The Local Union of the American Society of Equity met at New Store on Saturday afternoon, April 7th. The principle business of the Society was to appoint delegates to the county union to be held at Dillwyn, at which time delegates will be appointed to attend the general meeting to be held in Lynchburg, and to change the time of meetings of the local unions from fortnightly to monthly, the next meeting to be held on Saturday, May 5th. The members present agreed to adopt the plan of reducing the tobacco crop to 10,000 hills to a hand.

INTERESTING STORIES ABOUT HOME FOLKS

Our Correspondents Relate the News of the County.

Hixburg.

Spring has followed rapidly in the footsteps of winter. The blossoms of April have strewn their pall of glory upon the tomb of the 'old year' and the blue birds have chanted their requiem. Easter with her sunshine and flowers has made her appearance so that all the harsh dissonances of life may be rendered tuneful and each flitting moment falls into the abyss of the past in golden drops of harmony.

It seems however that this glorious season, with all its rejuvenating powers, has failed to awaken our Hixburg correspondent from the state of somnambulism into which he has fallen since the 'storm party.' While he is thus meditating on the vicissitudes of life and indulging in the day dreams that float like fleecy cloud drifts over the o'er-arching sky of thought we hurridly give a few locals, some of which should have been chronicled before this, trusting that a call from the press may arouse him from his reverie and induce him to resume former duties.

Mrs. Boyd Ford and children, of Pamplin City, are spending several weeks with griends and relatives in this vicinity.

Mr. J. H. McCue has recently returned from a pleasant sojourn in Bluefield and Roanoke.

Miss Alice Gilliam entertained a few friends several nights ago in honor of Misses Venona Sears and Beulah Barnard, of West Appomattox. The music was so inspiring, the guests could not refrain from indulging in the "Terpsicho can art for a few brief hours. The old maxim "time is fleeting" proved not too true on this occasion and ere we were aware of his movements "father time" had glided swiftly by and we were compelled to make our adieus, each regretting that the time could not be prolonged.

Notwithstanding the weather being of the voluptuous vernal kind which calls forth all the latent inspirations of existence, there still remained some impediment to the happiness of the young men, as many of our fair damsels, not being able to gratify the insatiable desires for enjoyment in this neighborhood, must, perchance seek pleasures in other realms. Among these are: Misses Alice Gilliam to West Appomattox, Estelle Swan to Prince Edward, Jennie Swan to Charlotte, Clara Ford to Richmond, and Mary Foster to Hollywood. May they have a pleasant sojourn and speedily return to this vicinity where they are greatly missed.

We hope to hear from the 'real correspondent' in your next issue. May he not view our feeble attempt with a critic's eye.

Stapleton.

There was an Easter service at Trinity Sunday by the Sunday School. The program was well rendered and everything passed off satisfactorily. The little ones deserve many compliments; they recited so well and seemed to be enthused with the whole proceedings. The church was beautifully decorated with festoons of evergreen, with a large cross in center of back of pulpit and "Happy Easter" in large letters on the wall. Indeed it was a happy Easter from the bright smiling little faces seen all over the church, the march by the Sunday School, singing, recitations and music on organ, guitar and graphaphone was enjoyed by every one. It was said by pastor and people to be one of the best entertainments seen in the community for a long time. The ladies who trained the children have cause to be proud of their success and extend many thanks to one and all for services rendered.
